## Application Information

The purpose of this event is to provide members with the opportunity to earn a new FFA jacket.

The event is open to all agricultural education students who are active members of a chartered FFA chapter in good standing with the New Jersey FFA Association. The number of winners will be based on the number of jackets sponsored.

Jacket winners will be presented with their jacket at the first state convention session and will know prior to the convention if they have been selected as a jacket recipient. No tailored jackets will be ordered.

Judges for the essay contest will include state officers, alumni members and/or jacket sponsors.
