**FFA ASSOCIATION**

## **8,000 Hour Challenge-Outstanding Community Service Award**

State FFA Application

### **Application Information**

#### **DESCRIPTION**

The 8,000 Hour Challenge was designed to encourage and award New Jersey FFA Chapters that "Live to Serve." This challenge was created by the 2008-09 State FFA Officer team - "Serve Today to Impact the Future." The goal is for New Jersey chapters to collectively log 8,000+ hours from April 1 - March 30 of the current application year (i.e. If applying in 2010, hours would count from April 1, 2009 - March 30, 2010).

#### **ELIGIBILITY**

All chapters chartered by the New Jersey FFA Association are eligible and encouraged to participate in the 8,000 Hour Challenge. All chapters are eligible for recognition in the challenge each year.

Community service hours are defined as being part of an approved FFA chapter function. Advisors must be aware of the community service project and approve them as team sanctioned function. Hours are considered on an individual basis. To easily figure out community service hours for a chapter function, use the following equation:

$$\text{Hours Worked} \times \text{\# of Members in Attendance}$$

#### **APPLICATION INCLUDES**

1. Form I: For Gold, Silver, or Bronze community service project rating consideration, documenting hours.
2. Form II: For the Outstanding Community Service Award consideration, fill out Form I then document one (1) community service project in a Power Point presentation. Form II will not be accepted without properly filling out Form I.
