

NEW JERSEY FFA ASSOCIATION

2023-2024 New Jersey Program Affiliation Handbook

New Jersey Program Affiliation encourages effective integration of FFA into Food, Agriculture & Natural Resources Education programs.

2023-2024 New Jersey Program Affiliation

Philosophy of why to affiliate with New Jersey FFA:

- Involvement in FFA is an integral part of a Food, Agriculture & Natural Resources Education Program. Every student in every classroom, every day should have access to the leadership and character development FFA provides.
- Career and Technical Student Organization (CTSO) involvement helps students develop additional employability skills.
- Students receiving education through a complete three-component Food, Agriculture & Natural Resources Education Program will not only enjoy a well-rounded educational experience that leads higher career satisfaction rates but will also experience significantly decreased drop-out rates and overall higher grade point averages.
- Food, Agriculture & Natural Resources Education Programs will have access to leadership and skill development resources that emphasize the New Jersey Core Curriculum Content Standards, especially the 21st Century Life and Careers Skills through FFA participation.

What is Program Affiliation?

Program Affiliation provides Food, Agriculture & Natural Resources Education programs with FFA resources and benefits as part of the total program delivery for every student.

How Does the Program (School/Institution) Affiliation Work?

For a flat fee, a single Food, Agriculture & Natural Resources Education Program can join the New Jersey FFA Association under an agreement and a fee based on program enrollment. All students enrolled in the Food, Agriculture & Natural Resources Education Program will have access to FFA resources and benefits.

What are the benefits of affiliating?

- **Total Program Support.** Programs will receive leadership curricula, career development assessments and other resources that support the 3-component model of School-Based Food, Agriculture & Natural Resources Education – Classroom/Laboratory Instruction, FFA and Supervised Agricultural Experience.
- **Receive FFA Resources.** Teachers will receive teaching aids designed to help reinforce FFA in the classroom and to enhance the delivery of premier leadership, personal growth and career success.
- **Receive Leadership Resources.** New Jersey FFA offers premier leadership curriculum for chapter leaders which can be utilized in each local program.
- **One-time Program Fee.** Programs pay one fee to receive discounts and/or access to various resources throughout the year as outlined in this handbook. Supplemental packages provide discounts and/or access to additional resources as outlined in this handbook. This fee does not apply to lodging, travel, meals or entry fees.

What is required to affiliate?

- **Fill out and submit the affiliation agreement.** Upon receipt of the affiliation agreement, an invoice will be issued for the appropriate amount. Affiliation agreements are due **September 30**.
- **Program Enrollment.** Submit Food, Agriculture & Natural Resources Education Program Enrollment via www.ffa.org by **November 1**.
- **Program Affiliation Payment** is due **January 31**. A late fee may be assessed for payments received after this date.
