

2012 Fall Ag Ed Conference Materials

Common Career Technical Core

“The Common Career Technical Core (CCTC) is a state-led initiative to establish a set of rigorous, high-quality standards for Career Technical Education (CTE) that states can adopt voluntarily. The standards have been informed by state and industry standards and developed by a diverse group of teachers, business and industry experts, administrators and researchers.....”

<http://www.careertech.org/career-technical-education/cctc/>

Green/Sustainability Knowledge & Skill Statements“

The goal of this U.S. Department of Education funded project is to incorporate green- and sustainability-related knowledge and skills standards into the existing National Career Clusters™ Framework. These standards followed a format used in the 2008 Knowledge and Skills Statements and represent an addendum to the statements.....”
